

# Membership Categories and Fees

## Associate Member (membre adhérent)

### Description

Any person who adheres to the purpose of EMMC ASBL can become an Associate Member.

### Benefits

Associate members benefit from access to a wide range of resources on the EMMC website, being kept up to date on EMMC activities and invitations to EMMC events, as well as the use of the EMMC online Forum for networking.

Associate Members have the right to take part in the EMMC ASBL General Assembly but have no voting rights.

### How to become an association member

By registration on the EMMC website <https://emmc.eu/register/>

### Membership fee

There is currently no fee for Associate Members.

## Full Individual Member (membre effectif)

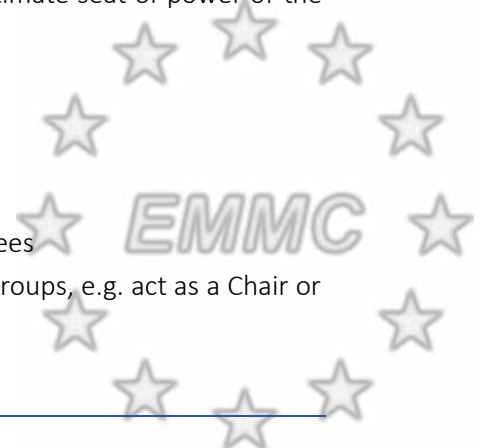

### Description

Any person based in Europe who adheres to the purpose of EMMC ASBL can become a Full Individual Member.

### Benefits

Full Individual Members are core to the association and help drive the EMMC forward. In particular, they enjoy the following benefits:

- Voting rights at the EMMC ASBL General Assembly which is the ultimate seat of power of the association, with rights for example to
  - appoint directors
  - accept new Full Individual Members
  - approve annual accounts and budget
  - amend association statutes
- The right to participate and vote in EMMC ASBL executive committees
- The right to take leadership roles in EMMC Focus Areas and Task Groups, e.g. act as a Chair or Vice-Chair of an EMMC Focus Area

- Full Individual Members from academia have the possibility to advertise jobs on the EMMC ASBL website
- Taking a leadership role in the organisation of EMMC workshops and events
- Access to members-only resources that will be elaborated by EMMC ASBL

### How to become a full member

By filling in the relevant registration form (<https://emmc.eu/register/>) on the EMMC website. Note that Full Individual Membership is subject to acceptance by the EMMC ASBL General Assembly.

### Membership fee

The current annual membership fee is € 165 plus VAT.

Full Individual Membership is annual and is renewed upon payment of an annual fee. A Full Individual Member can leave EMMC ASBL at any time by giving one month's notice to the EMMC ASBL Executive Secretary by email.

## Organisational Member (membre organisationnel)

### Description

Any company, national organisation, legal entity, university, research institute, non-profit organisation, etc. with a presence in Europe, interested in the modelling and digital representation of materials and integrated computational engineering and committing to the aims and objectives of EMMC ASBL can become an Organisational Member.

The participation of Organisational Members is critical to the success of the EMMC, helping to guide and support EMMC. The EMMC is ready to receive their input and work with them on the development of best practices, standards, roadmaps, staff training, policy development, etc. benefits

Membership of EMMC ASBL adds influence to an organisation's work on materials modelling in their sectors and markets by having a voice inside EMMC, providing advice on the needs of their sectors and the problems faced in the adoption of materials modelling and digitalisation.

### Benefits

Specific benefits of organisational membership of EMMC include

- Right of up to three additional Organisational Member employees (beside main representative) to participate and take leadership roles in EMMC ASBL executive committees, Focus Areas and Task Groups
- Access for up to three additional Organisational Member employees (beside main representative) to all members-only resources (e.g. training resources or benchmark reports) elaborated by EMMC ASBL
- Interacting with other Organisational Members, for example in formulating collaborative research projects, facilitated by EMMC via its online Forum and Workshops. Interactions are facilitated by a dedicated and exclusive Organisational Members Forum

- Organisational Members that have been admitted as Full Members by the AGM also have voting rights for one nominated representative at the EMMC ASBL *General Assembly* which is the ultimate seat of power of the association, with rights for example to
  - appoint directors
  - accept new Full Members
  - approve annual accounts and budget
  - to amend association statutes
- Being recognised on the EMMC Website
- Placing job adverts on the EMMC ASBL website at no extra cost
- Discounts for EMMC workshops

Organisational Members must pay an annual contribution (see below) and are obliged to act in accordance with EMMC Statutes.

### How to become an organisational member

By filling in the relevant registration form (<https://emmc.eu/register/>) on the EMMC website.

Note: Acceptance of membership is subject to approval by the EMMC Board of Directors.

Organisational Members must pay an annual contribution (see below) and are obliged to act in accordance with EMMC Statutes.

### Categories and Membership fees

- General organisational member fees:
  - SME, less than 50 employees € 825.00 per annum
  - SME, less than 250 employees € 1,650.00 per annum
  - Industry, >250 employees € 3,300.00 per annum
  - RTD (Universities and not for profit organisations) € 1,100.00 per annum

Fees are subject to VAT.

Note that the above rates are for specific geographical sites.

Organisational Membership is annual and is renewed upon payment of an annual fee. An Organisational Member can leave EMMC ASBL at any time by giving one month's notice.
